Brice CHAMBARD
Fondateur OBIZ
41, Quai Fulchiron
69005 Lyon

Dear Sir,

I certify that *OBIZ* is one of the 60 companies that has been awarded the "Pass French Tech" by the French Ministry of the Economy, Industry and Digital affairs and its public partners*.

The "Pass French Tech" program is reserved for hyper-growth and over-performing French startups and scaleups.

The company has met the demanding criteria that provide access to premium services as a support to the company's hi-speed growth.

David MONTEAU

*Bpifrance -public-institution dedicated to economic development-, Business France -public agency supporting the international development of the French economy-, Coface -French Insurance Company for Foreign Trade-, INPI -French National Institute of Industrial Property-, AFPC -Competitiveness and Business Cluster Organization- and AFIC -represents French private equity.
